ABOUT US

Wiraraja Indonesia was established in 1998, marking its first milestone as a PE Bag Manufacturer based in Batam, Riau Islands, Indonesia.

In 2023, the company expanded into the Stretch Film manufacturing sector by establishing Wiraraja Yunan International (part of Wiraraja Indonesia Group) and launching the brand Wiraraja Pack.

Driven by the mission to empower Indonesia and contribute to national development, Wiraraja is committed to delivering integrated products, services, and solutions that offer lasting value and quality to stakeholders worldwide. Our vision is rooted in continuous innovation and meaningful progress toward a "Golden Indonesia."

Today, we continue to grow, creating value and impact in alignment with our vision, mission, and core values to empower Indonesia.

VISION

To become the leading company in Asia that delivers integrated products, services, and solutions with exceptional quality and long-term value creation for stakeholders worldwide

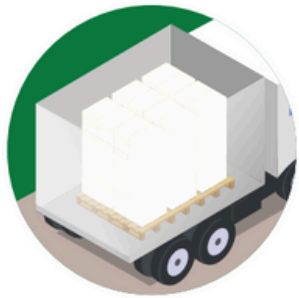

VALUES

- Integrity
- Quality
- Innovative
- Collaborative
- Customer-Delight

MISSION

- To collaborate with strategic partners in creating a better quality of life for communities, while promoting welfare and prosperity for all stakeholders.
- To continuously innovate towards a "Golden Indonesia"

THE ADVANTAGES OF USING STRETCH FILM

REDUCED PRODUCT DAMAGE AND INCREASED STABILITY

Secure your products with stable and consistent load containment during handling and movement within your warehouse.

INCREASED PRODUCT PROTECTION

Keep your loads clean and dry by protecting them from environmental elements such as moisture, dust, and dirt

IMPROVED SHIPPING, HANDLING, AND TRANSPORT

Maximize space and efficiency by locking in your loads, stabilizing irregular shapes, and enabling higher pallet stacking.

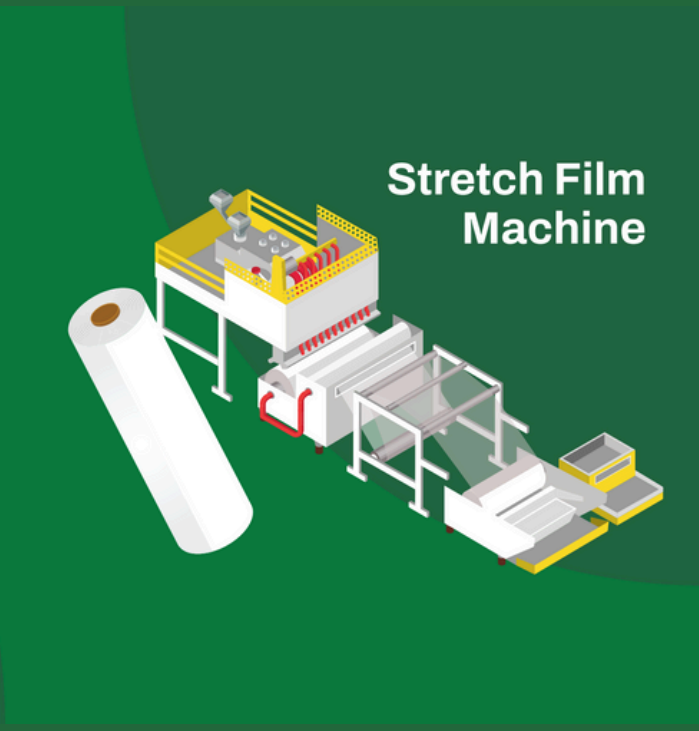

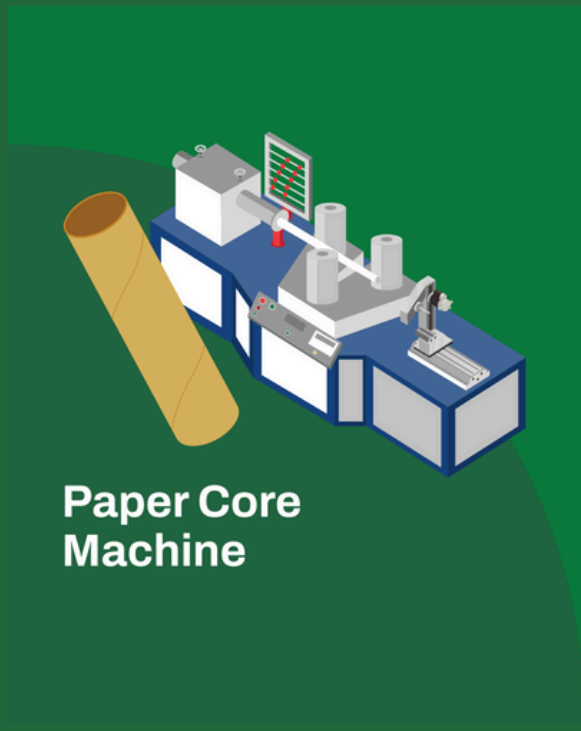

BETTER INVENTORY CONTROL

Clear films allow for easier product identification, helping you scan, sort, and manage your inventory more accurately.
